# What About Me?

A photograph of two young children, likely twins, with light brown hair, wearing white long-sleeved shirts. They are standing in front of a glass surface, possibly a mirror or a window. The child on the left is seen from the back, looking towards the right. The child on the right is facing forward, looking at the first child and pointing their right index finger towards the other's hand. The background is a bright, slightly out-of-focus interior space.
